HANDICAPS & COMPETITIONS

SINGLE STROKE: Men's and Ladies and Match Play. Full Handicap applies.

SINGLE STABLEFORD, 4BBB, V PAR, FLAG, BISQUE: Men's and Ladies. Full handicap applies.

FOURSOMES: Men's and Ladies. Two players play as partners and use one ball. The partners strike the ball alternately from the tee and thereafter strike the ball alternately during the play of each hole. (Penalties do not affect the order of play.) Half combined handicap applies.

MIXED FOURSOMES: Mixed Foursomes are played in the same manner as Foursomes, except that the women use their own tees and observe their own local rules when it is their turn to play. Half combined handicap applies.

CANADIAN FOURSOMES: This event is played as per a Foursomes event except that both players play tee shots at every hole and afterwards continue with whichever ball they nominate, with the partner playing the second shot. Half combined handicap applies.

AMERICAN FOURSOMES: Both players play tee shots at each hole, and then play a second stroke with their partner's ball. One ball is then selected and play proceeds as in Foursomes with the owner of the ball selected playing the third stroke. 3/8 combined handicap applies.

CHAPMAN FOURSOMES: Both players play tee shots at each hole, and then play a second shot with their own ball. One ball is then selected and play proceeds as in Foursomes with the partner playing the third shot. Half combined handicap applies.

ECLECTIC: Competitors play two or more rounds and the eclectic score is the lowest score obtained at each hole on the rounds. Half handicap applies.

AMBROSE: This event can be played as a two, three or four person event. Each player plays a tee shot at each hole. The Captain then selects the best drive which is then played by its owner. The other members retrieve their balls and in turn drop within one club length of the selected position and play their second shots. This procedure of selecting the best position continues until the ball is holed. 2 person event – 1/4 combined handicap; 3 person event – 1/6 combined handicap; 4 person event – 1/8 combined handicap.
